## ●National Institute for Land and Infrastructure Management (NILIM) ● Ministry of Land, Infrastructure, Transport and Tourism Government of Japan

D		D. I IWIE D
Director-General	General Affairs Department	Personnel and Welfare Division  General Affairs Division
Deputy Director-General	Deputy Director of General Affairs Department	—Accounting Division  Head Officer for General Affairs
Deputy Director-General	Senior Officer for Welfare	
Executive Director for Research Affairs	Senior Officer for Contract and National Property	
Executive Director for Research Affairs	— Planning and Research Administration Department	Planning Division
	Research Coordinator for Digital Transformation of Infrastructure Systems	Research Administration and Evaluation Division     Research Facilities Division
	Research Coordinator for Evaluation	—International Research Promotion Division     —Senior Officer for Cyber Security and Information
	Research Coordinator for Codes and Standards	
	— Administrative Coordination Department — Administrative Division	
	γ	Planning and Coordination Division     International Coordination Division
	— Water Supply and Sewerage Department	Water Supply System Division
	- Research Coordinator for Water Supply and Sewerage	Wastewater System Division Wastewater and Sludge Management Division
	Research Coordinator for Wastewater Energy Management and System Res	Noto Water Supply and Sewerage Reconstruction Support Division toration
	River Department	River Division
	Research Coordinator for River Structures	Coast Division Water Cycle Division
	— Research Coordinator for Integrated Water Disaster Management	Large-scale Hydraulic Structure Division Flood Disaster Prevention Division
		Flood Disaster Flevention Division
	Research Coordinator for Water Environment	
	— Sabo Department	Sabo Planning Division Sabo Risk-Management Division
	Research Coordinator for Sediment Disaster Prevention	
	— Road Traffic Department	Road Division Road Safety Division
	Research Coordinator for Road Affairs	Road Environment Division
	Research Coordinator for Road Disaster Prevention	Intelligent Transport Systems Division
	Research Coordinator for Digital Transformation of Road Systems	
	Road Structures Department	Bridge and Structures Division
	Research Coordinator for Road Structures Management	Foundation, Tunnel and Substructures Division Pavement and Earthworks Division
		Earthquake Disaster Management Division
	Research Coordinator for Road Structures Recovery	
	- Building Department	Standards and Accreditation System Division Structural Standards Division
	Research Managing Coordinator for Advanced Building Technology	Fire Standards Division Equipment Standards Division
	Research Coordinator for Quality Control of Building	—Material and Component Standards Division —Evaluation System Division
	Research Coordinator for Disaster Mitigation of Building	
	— Housing Department	Housing Planning Division
	Research Coordinator for Building Environment Technology	Housing Stock Management Division     Building Environment Division
	Research Coordinator for Housing Performance	— Housing Production Division
	Research Coordinator for Housing Information System	
	—Urban Planning Department	— Urban Planning Division
	— Orban Framming Department	— Urban Facilities Division
		Urban Disaster Mitigation Division Urban Development Division
	—Port, Coastal and Marine Department	Port Planning Division
	Research Coordinator for Advanced Port Technology	— Port Systems Division — Port Facilities Division
	Research Coordinator for Coastal and Marine Affairs	Coastal Zone Systems Division     Marine Environment and Emergency Management Division
		— Port and Coastal Disaster Prevention Division
	Research Coordinator for Coastal and Marine Disaster Prevention	Date of Garage
	Support Center for Port and Harbor Advanced Information Technology —	Port Information System Division  Cost Estimation System Division
		Port Construction Systems and Management Division  Port Advanced Information Technology Division
	— Airport Department	Airport Planning Division
	Research Coordinator for Advanced Airport Technology	Airport Facilities Division Airport Construction Systems Division
	Research Center for Infrastructure Management	Construction and Maintenance Management Division
	Research Coordinator for Construction Management	Construction and Maintenance Systems Division     Advanced Construction Technology Division
		Information Platform Division
	Research Coordinator for Land Management and Disaster Prevention	Construction Economics and Construction Environment Division     Landscape and Ecology Division
	Research Coordinator for Advanced Information Technology
